Economic Census 2014

The Economic Census 2014 is being held in order to collect exact and updated data on all institutions that carry out an economic activity and to meet the demand for statistics regarding businesses in Aruba. This data will be gathered in the months of September through December 2014.

Please complete this questionnaire with information of THIS LOCATION only!

This questionnaire will be collected at a later date.

PLEASE USE A PENCIL!

Mark the box with an X. See example:

Write the numbers inside the box avoiding the lines. See example:

Participation in the Economic Census will not impose a threat to the privacy of your institution. It is punishable by law to pass on information of individual institutions to any person or institution, whether private or public. We kindly request you to complete this questionnaire for this establishment only.
